

Surface Encounters in Wixom Going Green with Marble & Granite Countertop Production

Customer Service and Preserving our Planet are important to Surface Encounters

Detroit, MI – Surface Encounters is a granite countertop company who takes great pride in customer satisfaction. With over 100 years combined experience Surface Encounters brings quality and integrity to customer relationships.

Surface Encounters state-of-the-art machinery ensures the highest quality finished product as they design and create some of the finest kitchens and bathrooms. Granite Countertops enhance the warmth and beauty of homes while increasing their value and improving lifestyles.

Surface Encounters is also concerned with employee morale; happy employees are more likely to contribute to the success of a business. In addition to being a successful company and one that is great to work for, Surface Encounters does their part to preserve our planet.

Surface Encounters does what is right for their customers, employees and the environment. Surface Encounters uses advanced water recycling capabilities to recycle up to 43,000 gallons of water each day. In addition, 100 percent of the scrap generated in creating elegant kitchens and beautiful baths is re-used as aggregate in road building, surface preparations and concrete.

Surface Encounters is improving the world one surface at a time; their customers include homeowners, architects, interior designers, kitchen/bath retailers, builders and remodelers in Wixom and Macomb Michigan. Visit <http://www.surface-encounters.com> to learn more.
